Sing

Words and music by Ellie Holcomb

Intro

G   C   Em   C – D
G   C   Em   C - D

Verse 1

```
        G                        C
Who sang the first song?  Who hummed the first tune?
Em                       D
Was it the wind blowing past the moon?
          G                        C
Were the stars making noise as they sparkled at night?
         Em                 D
Did the sun sing a song as it colored the sky? Oh,
```

Chorus 1

```
G              C       Em           C - D
Sing,   sing,  sing,   sing,  sing,  sing
```

Verse 2

```
         G                        C
Did the waves make a song as they crashed to the shore?
   Em                    D
Or was it the whales?  Or the lion's first ROAR?
         G                     C
Did the first flowers hum as they burst into bloom?
   Em                      D
Or was the first song when the thunder went BOOM?
```

Chorus 2

```
G              C       Em           C - D
Sing,   sing,  sing,   sing,  sing,  sing
G              C       Em           C - D
Sing,   sing,  sing,   sing,  sing,  sing
```

Verse 3

```
        G                           C
   Maybe elephants running loud over the ground,
     Em                      D
   Or maybe the birds made the first singing sound
           G                           C
   All these guesses we've made are quite good, but they're wrong
         Em               D
   It was God, our maker, who sang the first song!
```

Bridge

```
       D                       C        G
When God made the Earth, He decided to sing
        C                   G    D
And He wrote His song into everything
        D                        C         G
God's song says "you're good, you are wonderfully made
        C                   G        D
And I'll never stop loving you all of your days!", so
```

Chorus 3

```
G            C       Em            C - D
Sing,   sing,   sing,    sing,   sing,   sing
G            C       Em            C - D
Sing,   sing,   sing,    sing,   sing,   sing
```

Verse 4

```
  G                      C
  Now, we all know who sang the first song
  Em                  D
  God, our maker, knew all along
       G            C
  That every heart, and everything
        Em                   D
  Was born with a song it was made to
```

Chorus 4

```
G            C       Em            C - D
Sing,   sing,   sing,    sing,   sing,   sing
G            C       Em            C - D
Sing,   sing,   sing,    sing,   sing,   sing
```

Breakdown Chorus

```
G            C       Em            C - D
Sing,   sing,   sing,    sing,   sing,   sing
G            C       Em            C - D
Sing,   sing,   sing,    sing,   sing,   sing
```

Outro (over Chorus)

```
      G                      C
When God made the Earth, He decided to sing
        Em               C    D
And He wrote His song into everything
        G                      C
When God made the Earth, He decided to sing
        Em               C    D
And He wrote His song into everything
